NEWSLETTER: Marlene Newmiller- Lorraine created a press release for the race that will be included in the September newsletter. It will also include Market updates, mask requirements and a request for Apple Cider Century volunteers.

FUNDRAISERS : Market committee: Aubrey- list of confirmed vendors some are confirming as they go, if we have everyone come back plus a couple new we will have 15. We still have La Chula booked and will confirm with them that things go smoother this time around. Music: we

have Ron Spears booked. We may have to DJ again. In October we have someone new. Mike: We could also do an open mike and try to fill spots that way. Vickie- should we plan a committee meeting? Aubrey- yes a week before the market.

Run to the Center of the World: We had a committee meeting last Saturday. Everything is going well. Vickie ordered the shirts. Katie will help on race day if needed.

NEW BUSINESS: Apple Cider Century- Mike: I got a call from the head of the ride asking for help. Normally we do that Lake Township park SAG stop. But they will not have that one this year. If we can get enough volunteers we will do it. We do not have to set up. That will be done the day before by the SPOKES club. This year the club will be helping. We don't have to clean potties. All we are going to do is set up and hand riders cookies and send them down the line. They will have bananas, chips, peanut butter sandwiches and cider. We will have to pour cider into cups. We have to keep the tables stocked. Then we have to tear down. Maybe 600 riders estimated. It is on the 25-35 mile route. Volunteers today: Mike, Marlene, Lorraine, Terry, Ollie, Vickie. Marlene will ask Peggy. We need to be there at 7:45 am at the corner of Schwark Road and Elm Valley. We will be under tents. Mike asked that Marlene send her names.
